## Quarterly Newsletter

OCTOBER EDITION

### Hello NCA!

Hey, NCA Family! As we gear up for Fall and Winter, it's a season of *reflection, gratitude, and anticipation* for the festivities ahead. As we approach the end of the year, we encourage everyone to delve deep into God's word, making every moment count for the splendid future He has for us in 2024.

Looking back on the past quarter, it has been nothing short of *transformative*. The 28-day fasting brought us closer to God's heart, and was rounded up with an amazing Jesus Is Lord Service with loads of testimonies. Our God keeps doing miracles and answering prayers.

A *BIG* highlight was *our transition to our new building* ushering us into a new season of growth and expansion.

The 'Life in the Spirit' conference not only enhanced our spiritual knowledge, but also fortified our bonds as a church community with three weeks of powerful and faith provoking teachings.

We said goodbye to summer and hello back to school with a summer *Family BBQ* filled with family, friends, fun and food.

We encourage you to enjoy these beautiful days God has given us. The upcoming months promise to be filled with loads of *The Miraculous* as we welcome the promise of the new year.

See the [upcoming events](#) section in this newsletter for some of the exciting events coming up as wrap up 2023!

### SOME TESTIMONIES AT NCA

- A.A - Pastor Kola prophesied that someone's role will change. At that moment I told myself "I like my current role and do not want a new one." It was as if Pastor Kola heard my thoughts because he immediately "Why don't you just accept it." I quickly said, "I will take it, sir". In the next week, my role changed at work and I got a bigger and better opportunity. Praise God!
- E. A. - The doctor noticed a cyst in the right ovary during pregnancy and said that it was nothing to worry about as it was common. During the last physical, they did an ultrasound because of pain and the doctor said that the cyst was bleeding and I had to be referred to a gynecologist. Within 3 months I did 3 ultrasounds. In Prayer Academy, Pastor taught us how to reinforce the Word, in our prayers. I kept on praying with a specific word and in a dream after JILS I saw the same scripture all over my wall, as if it was overshadowing me. A week after the cyst had disappeared! I thank God for healing me.

### MONTHLY THEMES

At NCA God gives us a theme for each month. This guides our feeding on the Word, and the focus of our faith and prayers.

We invite you to tap into the themes for the last 3 months of 2023:

- **OCTOBER: REPLENISH**
- **NOVEMBER: SUBDUE**
- **DECEMBER: SABBATH**

Join our services, prayer meetings and worship sessions to dive deeper into these themes and engage these dimensions of God's extraordinary plans for us.

# IGNITE

YOUNG ADULTS AND SINGLES FELLOWSHIP

*Hey there, Ignite!*

We are Ignite! We're a group of young, vibrant, and passionate individuals on fire for God. This year has already been an amazing year for us! From the bowling event to the start of our regular fellowship meetings and hosting a paint and sip night (some munching was involved), we have grown so much as a community of Christian young adults and singles!

We're excited because the next quarter is going to be the best one yet. You can look forward to more fellowship meetings where we will dive deeper into God's word and share perspectives.

We want to thank everyone who took part in this year's IGNITE conference. May God bless you and see you next year!!

## NCA CHILDREN AND YOUTH CHURCH

It's a new school year! This is the perfect moment to have conversations with your children and encourage them to reflect on how our words and actions touch the hearts of those around us. Our words and actions mirror the "fruit" growing within us.

Galatians 5:22-26 tells us of the type of "fruit" we should show the fruit of the spirit. When the fruit of the spirit blossoms within us, our words and deeds will uplift others and manifest the love of Christ. If you've chosen to walk with Jesus, the Holy Spirit dwells within you.

So, when you're uncertain or faced with a challenging situation this school year. You can ask the Holy Spirit to help and guide you. So you can honour God throughout this academic year. Happy 2023 / 2024 School Year

Game suggestion:

A piece of fruit that can be tossed around.

Have your family sit down on the floor.

Set a timer for 15 seconds.

When the timer goes off, whoever is holding the fruit will choose one fruit of the spirit and give an example of how to use it to positively affect others. Keep playing until everyone has gotten the fruit at least once.
